Contractors that turned in a bid.

Name	Total Cost
1. Tetra Industries	\$210,000
2. Messina & Sons Construction	\$239,414
3. Herring Contracting	\$159,060

Recommendation:

We would like to recognize all the contractors who turned in a bid as great companies to work with. We have worked with each one in the past with no complaints.

That being said, I recommend Herring Contracting to receive this bid. They turned in the lowest bid (\$159,060) and met every bid requirement and compliance.
